- Maximum gross score is Double Par plus Handicap Stroke(s) provided on hole played.

**ALL PLAYERS MUST EITHER HOLE OUT OR ACCEPT MAX SCORE FOR TEAM SCORING**

- Out of bounds – Two Options (All provisional shots must be declared)
  - 1) Proceed to where the ball went out of bounds and take two club lengths plus your stance and drop, this would be a two stroke penalty (so you would be laying 3 hitting 4 after original OB).
  - OR**
  - 2) Play next shot as normal stroke and distance. If you choose the stroke & distance option and hit your next shot out of bounds, you can choose option 1 for your next shot but would now lie 5 and hitting 6.
- The Season will consist of Two 8 week scoring Halves. The 1<sup>st</sup> place team at the end of each half will play for the Final League Championship to determine the overall champion. The 2<sup>nd</sup> place teams of each half will play for 3<sup>rd</sup> and 4<sup>th</sup> place in the Semi-Final League Championship. In the event of any ties there will be a net 3 hole playoff to determine what team is 1<sup>st</sup> & 2<sup>nd</sup> place in each half. The First half 1<sup>st</sup> place team is not eligible to represent either the first or second place teams in the 2<sup>nd</sup> second half. If a team comes in 2<sup>nd</sup> place in half one they can win the second half and then the 3<sup>rd</sup> place team from the 1<sup>st</sup> half will be playing for the 3<sup>rd</sup> and 4<sup>th</sup> place Semi-Final Championship.
- Substitutes Are Not Required this season. If only 1 team member is present with no substitute, the matches will be conducted as noted here: Player 1 will play both opponents in single net match play and with a doubled net score for an overall team score, with an opportunity to take all 8 points. Please note that both members of the team are allowed to miss up to 4 matches per half, they are not eligible to win any half if they exceed four missed matches in that half.

## **2018 DGC - Wednesday Two-Man League Handicap Rules**

**Player Handicaps** will be based off of either the previous calendar years final CDGA handicap index (barring no 2018 renewal or postings) or the current CDGA May 1<sup>st</sup> revision. Certified and verifiable USGA online handicap systems indexes may be accepted upon review.

Players without an official CDGA/USGA handicap index will be subject to the below handicapping method approved by the Deerfield Golf Club, until their 2018 CDGA 9 hole index is valid.

Non-handicap player week One Handicap determined by using 30% of the differential from the players gross score to par. NH player week Two Handicap determined by using 60% of the 1<sup>st</sup> & 2<sup>nd</sup> round differential from the players gross score to par. NH player week Three Handicap determined by using 90% of the (1<sup>st</sup> three rounds) differential from the players gross score to par.

- **Example Week 1:** Non CDGA index player shoots 46. Differential to par is 10 strokes & week one handicap is 3. Net score = 43

- **Example Week 3:** Non CDGA index player shoots 44. Differential to par is 8, 9 & 10 strokes & week three handicap is 9 (Rounded down) Net score = 37
- **Week 4** – Non CDGA index will remain at 90% of your differential to par average until the 5<sup>th</sup> week when the system will establish a USGA index.
- **Please NOTE** – Non handicap indexed players/teams & opponents will not have a final net score until after their weekly round – Individual and Team results will be updated & posted Thursday's by 5pm.
